BRAND STORY & FOUNDATION

1.1 • BRAND OVERVIEW

BUILT AROUND THE CHEESESTEAK ITSELF.

BLY'S is Saudi Arabia's original cheesesteak-focused restaurant. While competitors offer cheesesteaks as one menu item, BLY'S was built around the cheesesteak itself — premium ingredients, bold flavor, and a genuine connection to Philadelphia's most iconic sandwich.

From day one the rule was simple: no shortcuts, no compromises, no watered-down version of the original. Carefully selected Black Angus beef, authentic preparation, and an unmistakably urban identity in every branch.

1.2 · THE BEGINNING

FROM A HOME KITCHEN TO RIYADH'S STREETS.

Before BLY'S was a restaurant, it was a sandwich shared among family and friends. The founder spent years perfecting an authentic Philly cheesesteak at home. What began as a personal obsession quickly became a favorite among everyone around him.

Family gatherings, casual meals, and late-night cravings revolved around the same question: *when are you making cheesesteaks again?* That question became a business. In 2021 the vision for BLY'S was born.

1.3 · THE FOUNDING BELIEF

**NO SHORTCUTS. NO
COMPROMISES. NO
WATERED-DOWN
VERSION OF THE
ORIGINAL.**

1.4 · RECOGNIZING THE GAP

A MARKET WITH NO SPECIALIST.

The Market Gap

Saudi Arabia offered many American-inspired food concepts, but no restaurant was dedicated entirely to the Philly cheesesteak — and none focused on preparing it the authentic way.

The Decision

The founder partnered with like-minded entrepreneurs who shared one belief: if they were going to build a cheesesteak restaurant, it had to be done properly.

WHY BLY'S EXISTS

PURPOSE

Introduce and grow authentic Philly cheesesteak culture in Saudi Arabia, made the right way with premium ingredients and genuine preparation methods.

MISSION

Become the most trusted, recognized cheesesteak brand in Saudi Arabia through authentic flavor, consistent quality, and memorable experiences.

VISION

Establish BLY'S as the leading cheesesteak brand in the GCC and the benchmark for authentic American sandwich culture.
