BRAND STORY & FOUNDATION

BUILT AROUND THE CHEESESTEAK ITSELF.

BLY'S is Saudi Arabia's original cheesesteak-focused restaurant. While competitors offer cheesesteaks as one menu item, BLY'S was built around the cheesesteak itself — premium ingredients, bold flavor, and a genuine connection to Philadelphia's most iconic sandwich.

From day one the rule was simple: no shortcuts, no compromises, no watered-down version of the original. Carefully selected Black Angus beef, authentic preparation, and an unmistakably urban identity in every branch.

1.2 · THE STORY

FROM A HOME KITCHEN TO RIYADH'S STREETS.

Before BLY'S was a restaurant, it was a sandwich shared among family and friends. The founder spent years perfecting an authentic Philly cheesesteak at home. The constant question — "when are you making cheesesteaks again?" — became a business. In 2021 the vision was born.
