BRAND STORY
& FOUNDATION

BUILT AROUND THE CHEESESTEAK ITSELF.

BLY'S is Saudi Arabia's original cheesesteak-focused restaurant. While competitors offer cheesesteaks as one menu item, BLY'S was built around the cheesesteak itself — premium ingredients, bold flavor, and a genuine connection to Philadelphia's most iconic sandwich.

From day one the rule was simple: no shortcuts, no compromises, no watered-down version of the original. Carefully selected Black Angus beef, authentic preparation, and an unmistakably urban identity in every branch.

1.2 · THE BEGINNING

FROM A HOME KITCHEN TO RIYADH'S STREETS.

Before BLY'S was a restaurant, it was a sandwich shared among family and friends. The founder spent years perfecting an authentic Philly cheesesteak at home. What began as a personal obsession quickly became a favorite among everyone around him.

Family gatherings, casual meals, and late-night cravings revolved around the same question: *when are you making cheesesteaks again?* That question became a business. In 2021 the vision for BLY'S was born.

1.2 · THE FOUNDING BELIEF

NO SHORTCUTS.
NO
COMPROMISES.
NO WATERED-
DOWN VERSION
OF THE
ORIGINAL.

1.3 · RECOGNIZING THE GAP

A MARKET WITH NO SPECIALIST.

The Market Gap

Saudi Arabia offered many American-inspired food concepts, but no restaurant was dedicated entirely to the Philly cheesesteak — and none focused on preparing it the authentic way.

The Decision

The founder partnered with like-minded entrepreneurs who shared one belief: if they were going to build a cheesesteak restaurant, it had to be done properly.

WHY BLY'S EXISTS

PURPOSE

Introduce and grow authentic Philly cheesesteak culture in Saudi Arabia, made the right way with premium ingredients and genuine preparation methods.

MISSION

Become the most trusted, recognized cheesesteak brand in Saudi Arabia through authentic flavor, consistent quality, and memorable experiences.

VISION

Establish BLY'S as the leading cheesesteak brand in the GCC and the benchmark for authentic American sandwich culture.

BRAND IDENTITY

2.1 · BRAND ESSENCE & POSITIONING

AUTHENTIC PHILLY STREET FOOD, BUILT FOR SAUDI ARABIA.

BLY'S is Saudi Arabia's cheesesteak specialist. While competitors offer cheesesteaks as a menu item, BLY'S was built around the cheesesteak itself — authenticity, quality ingredients, bold flavors, and a genuine connection to Philadelphia's most iconic sandwich.

2.2 · POSITIONING

SAUDI ARABIA'S CHEESESTEAK SPECIALIST.

Authentic, bold, confident, urban, modern, welcoming, quality-driven. Never pretentious, never fine-dining, never generic.

THE CRAFTSMAN & THE URBAN EXPLORER.

Primary — The Craftsman

Built on mastery and attention to detail. Like a craftsman, the brand refuses shortcuts. Every cheesesteak is made the right way — the right beef, the right preparation, the right result.

Secondary — The Urban Explorer

BLY'S lives in the energy of the city — Riyadh at night, street culture, the thrill of discovering something real. This archetype drives the bold visual identity and street-food atmosphere.

THE LOGO SYSTEM

L.1 · THE LOGO

The logo consists of the word "BLY'S" in a bold, condensed, uppercase sans-serif font. The letters "B", "L", and "Y" are filled with a warm-white color and have a charcoal outline. The apostrophe is a solid orange color. The letter "S" is also filled with warm-white and has a charcoal outline.

L.2 · CONSTRUCTION & GRID

DRAWN ON A GRID

GEOMETRY

The wordmark sits on a fixed baseline grid. Letter weight, spacing, and the apostrophe angle are locked — never redrawn.

PROPORTION

Cap height defines the unit of measure for clear space and minimum size.

L.3 · PRIMARY LOGO

L.4 · LOGO VARIATIONS

PRIMARY · SECONDARY · ARABIC · ICON

The primary logo features the text "BLY'S" in a bold, white, sans-serif font. The apostrophe in "S" is a small orange shape.

PRIMARY

The secondary logo consists of the text "BLY'S" in white, followed by a vertical line and the Arabic word "بيليز" in white. Below this, in a smaller white font, are the words "CHEESESTEAKS • BURGERS • FRIES".

SECONDARY

The Arabic logo features the word "بيليز" (Biliz) in a white, stylized, sans-serif font.

ARABIC

Avoid complex classical Arabic, government-style wording, and formal corporate language.

The background image is a dimly lit interior space. A large, dark silhouette of a person is mounted on a brick wall. The wall is made of reddish-brown bricks. In the foreground, there is a wooden table and a leather sofa. The lighting is warm and low, creating a moody atmosphere.
